INT/EXT. A LOCATION - ANY TIME

PERSON 1 [ANY AGE, RACE, GENDER AND DRESSED IN ANY CLOTHING] sits on/in [SOMETHING] looking at a STUFFED TOY in front of them. They look at the toy with [AN EMOTION].

They then look out into the distance at [SOMETHING].

PERSON 1  
It's been long time.  
(PAUSE)  
Come on, don't be shy, we're hear  
to listen.

PERSON 2 [ANY AGE, RACE, GENDER AND DRESSED IN ANY CLOTHING] appears.

PERSON 1 (CONT'D)  
I suppose I should've known you'd  
come here.

PERSON 1 turns to find PERSON 2 [HANDING OR POINTING SOMETHING] at them.

PERSON 1 reacts to this with [AN EMOTION].

PERSON 1 (CONT'D)  
I see.

PERSON 1 sits. PERSON 2 notices the stuffed toy and reacts with [AN EMOTION].

PERSON 1 (CONT'D)  
Yeah I know, I just couldn't let it  
go.

PERSON 2  
You used to be so much more. Did  
you really think you could get away  
with it.

PERSON 1  
Of course not. I am what I am.

PERSON 2  
And yet you pretend to be something  
you're not.

PERSON 1 reacts with [AN EMOTION].

PERSON 1  
Would you know? Would you tell me?

PERSON 2 remains silent.

PERSON 1 (CONT'D)  
 Now you're going quiet on me?  
 (GESTURES TO OBJECT)  
 At this time.

PERSON 2  
 I don't know what you want me to  
 say... I mean, look at you.

PERSON 1 reacts with [AN EMOTION]. They pick up the stuffed toy and bring it close to their ear. They mime the toy whispering.

PERSON 1  
 Oh. Oh really. Do you think so?  
 Yes, I agree.  
 (TO PERSON 2)  
 He says that I should do [SOMETHING  
 WITH/TO] you.

PERSON 2  
 There's a time and a place for  
 that, this is neither.

PERSON 2 sits [FACING/NEXT TO] PERSON 1. They look at one another.

PERSON 1's attention is drawn back to the stuffed toy. They raise it to their ear and listen.

PERSON 1  
 He wants to talk to you.

PERSON 2 reacts with [AN EMOTION] and takes the stuffed toy bringing it to their ear. Whispers from the stuffed toy as PERSON 2 feels a build of [AN EMOTION].

PERSON 2  
 (to the stuffed toy)  
 You don't say.

PERSON 2 looks at PERSON 1 with [AN EMOTION]. They lower the stuffed toy and place it on a [SURFACE]. They then do [AN ACTION] to PERSON 1.

The stuffed toy watches them silently.
